the 43-year-old presidential candidate abag promdi manny pacquiao is a Filipino legislator who has served in both chambers of the congress since 2010. First he won acclaim as a world-class champion boxer and made jugglers with so racing as a public official and athlete until 2021 when he announced his sport retreat. the boxer converted into a legislator is also a preacher and founded the church word for all international ministries, inc. in 2012. the pacchia has been constantly observed as the main absentee among legislators and by writing a relatively low number of laws and bills. mainly wrote the national law of the day of the Bible and the manual for the law of ofws of 2017. Cocando so religious beliefs as a born-again Christian, pacchia has expressed its support for the lgbtq community but not the same-sex marriage. In 2016, it provoked local and international anger for disparate comments he made about the minority group. previously supported the reinstatement of the death penalty for the manufacture and trafficking of illegal drugs, but, like other candidates seeking a higher post, they reversed their position in their position in November 2021.Pacquiao is campaigning to free the country from corruption, crime and poverty, although he has not published any concrete policy proposal based on this. cabinet and anti-corruption working group if elected. the top priorities of the candidate if they are chosen for the post, tracked against previous promises and achievements, if any one selects a policy profile below to see more e proposed related policy details; previously questioned the lack of a mobile uniform contact layout application for Covid-19 urged more efficient pandemic management through massive tests and effective tracking ofwith the previous platform; registration / tracking achievement. Date: P50,000 proposed minimum wage for health workers in addition to a special risk grant other perks Opposed the imposition of restrictions against unvaccinated individuals Called for the suspension of political gatherings and parties amid the coronavirus pandemic Deviation from Previous Platform: Related Policy Proposal: Says eradicating corruption in government is his top priority, vowing to go after and jail corrupt officials himself if elected Previous Platform: Track Record / Accomplishment; Date: Held a press conference in July 2021 alleging that P10.4 billion in aid had been lost to corruption at the Department of Social Welfare and Development. Also claimed to have proof of wide-scale corruption across eAAevery branch of government," including the Department of Health, which he accused of buying expired medicines. Both departments denied his allegations. Deviation from Previous Platform: After his press conference, Pacquiao said he would refer documents detailing the alleged corruption to the Senate blue ribbon committee. However, Sen. Richard Gordon, the paneleAAAs chairman, told reporters later that week that he had yet to receive documents from PacquiaoeAAAs office. A legislative probe on the matter has yet to be launched as of this writing. The candidate's top five accomplishments and contributions for the last 15 years or so Pacquiao has consistently been noted for penning a relatively low number of bills and for being the top absentee among lawmakers during both his stints in Congress. Throughout his first term in the Senate, he authored 10 laws and co-authored 15 others, according to records on the chamber's official website. In the House of Representatives, only one law passed from 2010-2016 was principally authored by Pacquiao, per the Legislative Information System. The law in question, R.A. 10828, established a regular district branch of the Land Transportation Office in Sarangani province.
